

**BATTLE FOR THE HEART**  
LIVE TRANSFORMED

## ***Battle for Your Domain Event and Facility Information***

### ***Schedule***

The event facility is on Central Time.

The event begins with registration at **11:00 central time** on Friday morning. Mark your calendar now to arrive at the Antiochian Village as early as possible to allow time to settle, decompress from what is usually a challenging week, and review your syllabus. The first meeting is with your team and facilitator at **12:00** over lunch.

The event builds throughout the weekend so plan to stay through **Sunday morning which ends with lunch**. It is vitally important that you be fully present from start to finish so if you are not able to commit to that, please let us know. We may recommend that you wait until another time when you can commit to being present the entire time.

### ***What to bring***

- Personal toiletries
- Comfortable clothing
- Jacket (the meeting room can get cold).
- Bible
- Clock or watch to tell time (to avoid distraction, we recommend that you turn off your cell phone, therefore it is best to have an alternate time source)
- Folding chair to relax in during reflection times (you may want to sit out on the grounds of the facility)
- Ear plugs (if you are in a room with someone else)

### ***Communications to home and work***

In order to give you the opportunity for a transformational experience with God and others, it is important that you retreat from the ordinary responsibilities of life as much as possible. In light of that we ask that you arrange to not call in to work during the retreat or check email. We realize this is very difficult for many of us, but being able to focus on what God wants to do in your life during this event is critical.

We have also found that it is best if you do not call home during the event if at all possible. If you have a family, they will greatly benefit from your dedicating yourself to the purposes of the Battle for Your Domain event.
